

**SAY THEIR NAMES: Black persons killed by United States law enforcement since 1919
video recording instructions and names of persons killed**

VIDEO RECORDING INSTRUCTIONS

Select a name and use your smart phone or tablet to record yourself reading the text (name, gender, age, date of death, location, and cause of death). A current list of names and the number of video readings we have received for each is on the [SAY THEIR NAMES Participation](#) page.

You may choose any name from the list on the following pages, whether it has already been read or not. We will showcase multiple readings in the online installation. You may also suggest a name to add to the list. (contact non@nonopera.org)

Choose a recording location (inside or outside) that is well lit and quiet. Please set up your device to record in landscape mode.

Look into the camera and speak clearly and slowly. You do not need to memorize the text. Though you may read the text as is, we encourage you to put it into your own words. Each reading should be between 20–30 seconds long.

When you are satisfied with your recording, please edit the beginning and end of the video. Then, fill out this form: https://docs.google.com/forms/d/1lgOraj9geFcjn1Rvzzwto7RvwCD_36RpQuPP_9LvpvU/edit?usp=sharing (If you are unable to edit your video, indicate that you would like us to edit it for you.) Once you have completed the form you will receive an email with the upload link.

There is no deadline as this is an ongoing project, and we will be continuing to add names to the list well into 2021 and beyond. We will post individual video readings to our SAY THEIR NAMES Installation page periodically, and we are developing a live online manifestation of the project in 2021.

NAMES OF BLACK PERSONS KILLED BY UNITED STATES LAW ENFORCEMENT SINCE 1919

The following list is in order from most recent back to 1919. Please include all of the information for the name you are reading, however, you may put any or all of it in your own words. If you would like to add a name to list, please send as much of the following information that you have to Ron Browne at ron@nonopera.org. (I can set up an email for you that just forwards to your email address. Let's decide what we want to do.)
